Award Period: 7/1/93-9/30/96
Principal Investigator: Dr. A. Lerner-Lam

Funding received for Administration and Ship Costs were distributed into two accounts. The Administration budget, totaling \$83,367, was spent on costs associated with the administration of the various ONR awards. These costs included clerical staff salary support for assistance with the preparation and distribution of the various ONR proposals, and for assistance with implementation of the ONR site reviews. Costs associated with the processing of the Omnibus proposal, such as materials and supplies, copying and mailing charges were also expensed. The budget included funds for domestic travel and computing subscription charges which were expensed. In addition, \$421 was used for the repair of office equipment.

The Ship budget totaled \$161,419, of which \$147,260 was expended for ship usage. The remaining funds were expensed for data acquisition and communications and shipping costs.
